72 JP Rizal St. Galicia III, Mendez-Nuñez, Cavite

ABOUT ME

I am a motivated beginner UI/UX designer with a solid foundation in graphic design and a growing knowledge of front-end design and development. I am currently looking for an on-the-job training (OJT) position where I can use my creativity, enhance my design and skills, and receive real-world industry experience. I am eager to learn, detail-oriented, and dedicated to contributing to significant digital initiatives while continuing to advance my professional development.

EDUCATION

Cavite State University - Main Campus

Bachelor of Information Technology

2022 - Present

Tagaytay City National High School - Integrated Senior High School

Technical-Vocational-Livelihood - Information and Communications Technology

2020 - 2022

Palocpoc National High School

2016 - 2020

Mendez-Nuñez Montessori

2010 - 2016

EXPERIENCES

Prototyped CEIT E-Bulletin

This is for our capstone project, which made our developing stage easy and had a good flow.

Prototyped CvSU Student Portal

Used Figma for prototyping my own version of the student portal.

JerseanGraphics

My own platform when it comes to graphic designing that includes posters, mockups, logos, etc.
